## Coronavirus, Short to Medium Term Arrangements

### To All Our Valued Customers

Door Hardware Online remains open for business with a reduced staff at its Devizes Office & Warehouse facility. We retain the ability to accept and process orders for despatch until such time as government advice changes and we are no longer able to provide this service.

Wherever possible we would ask that enquiries are made via email since some staff members will be working remotely. We beg your indulgence should we be unable to respond to your enquiry immediately.

Thank you for your understanding and kind cooperation.
